

## **CONSENT AND RELEASE FOR PARTICIPATING IN TRAILBLAZER FOUNDATION PROJECTS IN CAMBODIA**

\_\_\_\_\_ (Volunteer) has selected to participate in volunteer work for Trailblazer Foundation/Trailblazer Cambodia Organization from \_\_\_\_\_ to \_\_\_\_\_. Trailblazer agrees to provide Volunteer with an opportunity to assist in certain projects, namely water filter construction and delivery, well drilling and agriculture development, along with project associated travel within and around the work areas of Trailblazer.

In consideration for the services provided by Trailblazer, Volunteer consents to the participation in Trailblazer's projects in Cambodia and consents to all related travel within and around Cambodia during the projects.

Volunteer hereby assumes all risk of personal injury or death and property damage from whatever causes arising while Volunteer is traveling to and from Cambodia, or throughout Cambodia while volunteering during the course of the project(s).

Volunteer further agrees to release, indemnify and hold harmless Trailblazer Foundation/Trailblazer Cambodia Organization, and their respective officers, agents or employees from any and all liability or claims arising out of Volunteer's supervised or unsupervised travel and activities during his or her voluntary participation in the project(s) in Cambodia.

The project activities listed below occur at our work site in Cambodia and are some examples of the activities offered to volunteers. Please indicate your preference(s) with an (x) to assist us in scheduling you to the most suitable placement that suits your skills, interests and time frame.

- ( ) Sifting sand and/or gravel for filters
